

A Letter to Our Community...

As we navigate unprecedented times with COVID-19, Lesya Dyk OT Services has been taking every precaution possible doing our part to #FlattenTheCurve.

We are monitoring COVID-19 developments through local health agencies, governments and the WHO as they collectively work to contain the virus. We are following protocols as set by our college www.COTO.org very closely.

Lesya Dyk OT Services wants to ensure that the health, safety and well-being of our clients, contractors, staff and families is our top priority.

Our administrative offices will be working remotely to continue serving our community.
Our remote hours will be 9:00am – 3:00pm.

As is always the case, together we are stronger. Let's #FlattenTheCurve
